ABOUT NORTH WINNESHIEK

The North Winneshiek Community School District, organized in 1960, is located in the northern part of Winneshiek County, in northeastern Iowa. It is a rural district, in that it does not include any large towns, and the students have a common background of rural farm life. The area in which it is located is noted for its scenic beauty, and this provides a perfect setting for our young school.

On August 31, 1964, the first day of school was held in the new building, several miles north of Decorah, Iowa, with a kindergarten through ninth grade program. In the fall of 1965, a complete program from kindergarten to the twelfth grade was begun, and the following spring the first class of North Winneshiek seniors was graduated. As of May 25, 1970, 177 seniors have graduated from North Winneshiek High School.

During the 1969-1970 school year, enrollment was 620 in grades kindergarten through twelve, and 257 in the junior and senior high.

North Winneshiek's superintendent is Gordon Christianson and our principal is Don D. Nelson. A staff of forty-two persons, including administrators, instructors, and aides, serves the school district, in addition to cooks, bus drivers, custodians, secretaries, and other personnel.

The North Winneshiek physical plant includes the main building, with the new library and classrooms completed in 1969, an elementary classroom building, instrumental music building, and two portable classrooms.

The North Winneshiek School District is only ten years old, but we have come a long way in those few years. We are proud of the progress we have made in our short history--from a district of rural schools to a system with complete elementary and secondary facilities and curriculum.

We invite you now to look at the record of the 1969-1970 North Winn school year contained in this yearbook. We hope it will evoke pleasant memories from old friends and serve as an introduction to those new friends meeting our school for the first time.

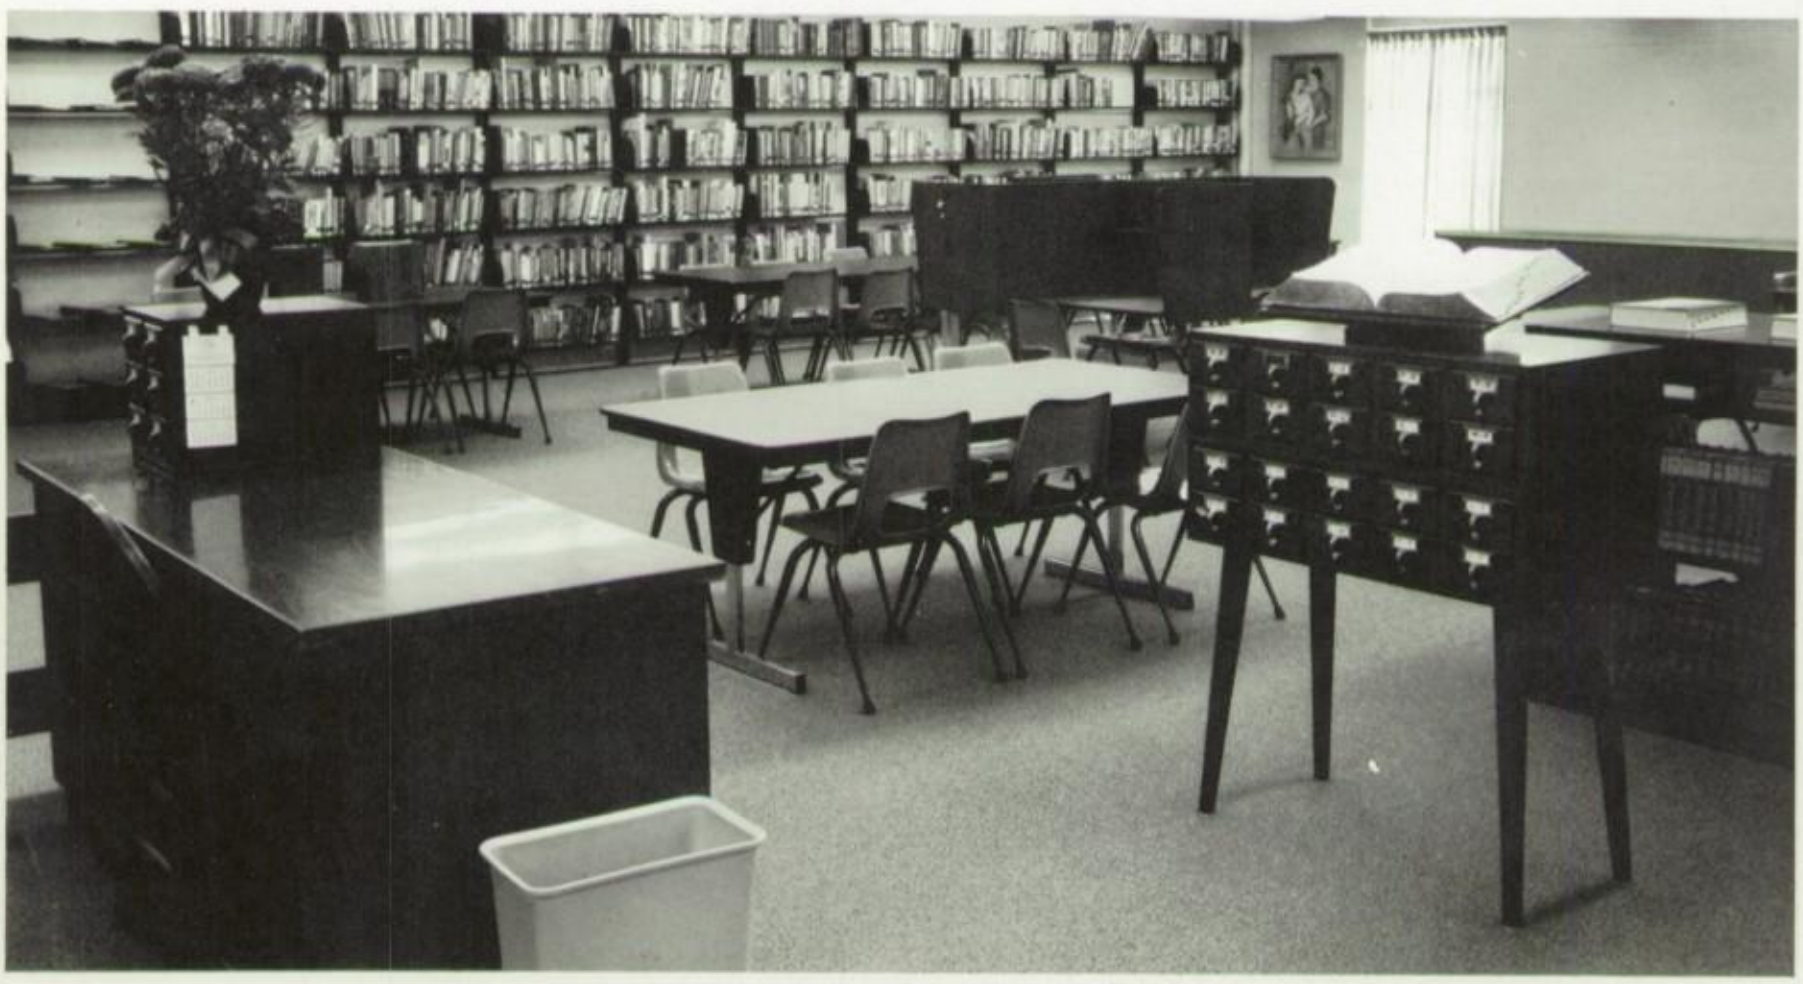
A NEW SCHOOL YEAR—
A NEW SCHOOL . . .

OUR NEW LIBRARY



OFFICE PRACTICE ROOM

As we began the 1969-1970 school year, it seemed as if we DID have a new school. The addition of the new library with its study carrels, reading center, new furniture, and carpet, gave us a quiet and attractive center for learning. The enlarged office area facilitated the business of education, and the new typing, office practice, and publication rooms, as well as the two new elementary classrooms, provided us the additional space and facilities a growing school requires.

The new librarian's office, audio-visual room and teacher's workroom help the faculty do a better job in their teaching. Both faculty and students appreciate our "new school" and know it will better our learning years.

FOREIGN EXCHANGE STUDENTS

During the 1969-1970 school year, North Winneshiek was fortunate to have two foreign exchange students, one from Denmark, and one from Brazil. We hope that Inger's and Fa's stay at North Winn was pleasant and profitable. We also wish them the best of luck as they return to their homes.

The senior band was very busy this year, participating in many activities. In the fall of '69 the band marched in the Mabel-Hesper Steam Engine Days Parade and in the Luther College Homecoming Parade. They gave a fine performance at the Winter Concert in February, a Pop Concert in May. The band also had the opportunity to give a concert at South Winneshiek High School and at Turkey Valley High School on May 18, 1970.

After working and trying hard for five years, the band finally received a division "I" rating at State Contest this year. At the State Solo and Ensemble Contest, band members brought home eleven division I ratings, eleven division II ratings, and three division III ratings.

THE WINNETTES

The North Winneshiek Drill Team, made up of fourteen hard-working girls, has been an outstanding success. Their half-time performances are always anxiously awaited for and enjoyed by all. This year, the girls themselves, along with Mrs. Johnson, created their own routines. In addition to performing at home basketball games, they traveled to Waukon to perform at a game there. They have also marched with the band and performed at pep fests.

Ready to march with the band at Steam Engine Days.

VARSITY CHEERLEADERS

Kathy Leonhart--Captain, Cathy Hanlon--Alternate, Brenda Wennes, Jennifer Danielson, Clarian Richert, Rachel Leistikow.

Being a Cheerleader means: Making posters, practicing jumps, meeting new people, thinking up new cheers, practicing in long, narrow hallways, backing up the team 100 per cent, sharing the disappointments of losses and the joys of victories, enduring long bus rides, encouraging the athletes, and having loads of fun.

Ok girls, let's do it right this time!

Victory, victory, that's our cry!

VARSITY BASKETBALL

The 1969-1970 Mustang basketball squad ended the season with a record of six wins and twelve losses. The team played very well at home, winning six games, but had their troubles on the road, as they failed to win a game. The season's highlights were beating arch rival Mabel-Canton and winning a homecoming victory from Riceville. Seniors on the team were Harold Rosendahl, Rich Bentley, Bob Ellingson, John Schnitzler, and Gregg Peters. Underclassmen were Larry Wilson, Daryl Knoke, Don Ward, and Dave Westphal.

GIRL'S SOFTBALL

The 1969-1970 girl's softball team ended their season with a record of six wins and ten losses. After having a rather poor season, the girls caught fire in the sectional tournament and played excellent ball. The team won the sectional by beating North High of West Union. After the sectional, the team continued playing fine ball until the second round of the district tournament. Here they met Central Elkader, the eventual state champions and were soundly defeated. There was much to be proud of however, as this was the first trophy earned by girls in our young school's history.

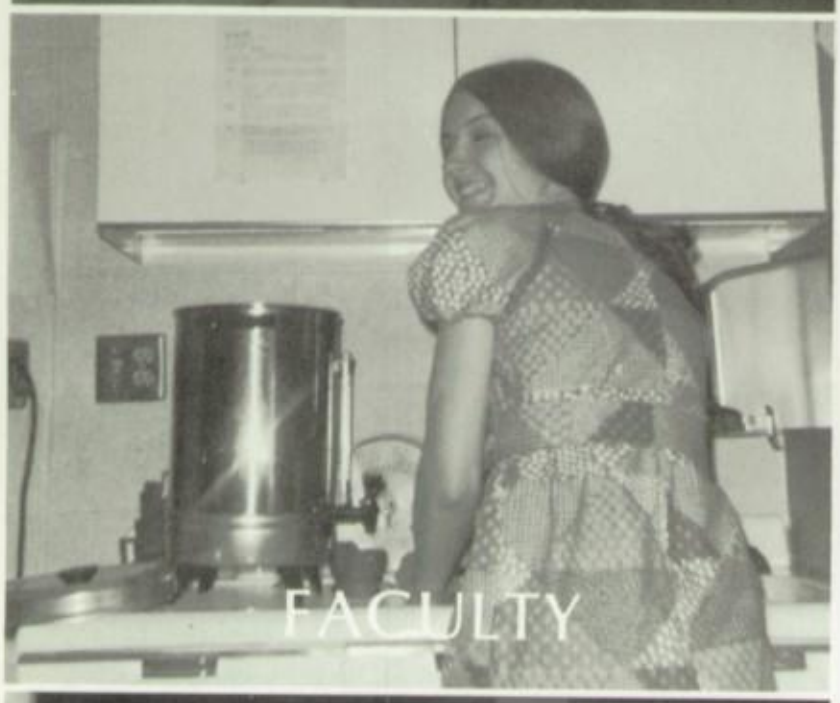
ADMINISTRATORS



FACULTY

STUDENTS

We have all come to the end of another school year. Working together, helping each other, all teaching and all learning, we have completed another year of growing.

The MUSTANG staff would like to take this opportunity to thank all those people who helped in the production of this yearbook.

We also extend our gratitude to those administrators, teachers and students who have made the 1969-1970 year at North Winneshiek both challenging and rewarding.

And we also want to wish the graduating class of 1970 the very best of success and happiness in the years to come!
